The shield used by Brecca, one of the Old Heroes.

This shield has great religious value to the people of Heorot and, more specifically, to the town of Brecca's Landing. It is displayed in the temple of Brecca's Landing alongside Brecca's Sword and is believed to grant a great boon of defense to anyone who uses it.

Stats

If user is not lawful-good, provides no defense and no other benefits.

Grants 1/2 users level in Fighter (rounded up) bonus to AC. This replaces the standard +2 to AC of a normal shield.
