Notes

- Harbard grapples a guard and is attacked by another guard
- Bernd enters a blind rage with the oni greatclub and attacks a guard, breaking their arm and their jaw.
- Sylas runs to a nearby stall and picks up a bag of rocks, throwing a violet stone at the injured guard, killing him as it enters his mouth and hits the back of his throat.
- The dead guard gets back up as a zombie under Sylas' control.
- With the guard being dead, Bernd leaves his blind rage and drops the oni greatclub.
- Bernd stabbed the tortle under the arm and Sylas, as a spider, bit him in the throat, nearly killing him.
- Harbard tears the arms of the guard, and pulling both arms out of their sockets, and ripping the tendons and muscles of the left arm but leaving the skin intact.
- The zombie slashes the tortle's throat, ending its life.
- Rue stabs the remaining guard in his torn up arm, ripping the skin and exposing the torn meat and viscera.
- Harbard chokes the guard out and sits on him once he is passed out.
