A village in Heorot. Not notable in any way, it is a mystery to the masses why this village is part of the federation in any way. Somehow, without any real industry, the village manages to pay its taxes and dues to the federation and remains in good standing.

The village also includes the Temple of Heroes where each of the 13 Old Heroes are worshipped as gods.

Places

- Ulfr's Mayor's house
- Ulfr's Courthouse and Jailhouse
- Temple of Heroes
