Class: Wizard

**Name**

Vargrson

**Role**

Wizarding teacher, librarian, and magical researcher.

Details

Named after Karvargr, Vargrson is the only powerful wizard in Heorot and is foundational to the federation. In an effort to bring economic prosperity to his hometown, he spent a decade of his life setting up the permanent magic circles within each city of the federation.

He rarely leaves his home, spending most of his time researching, writing down details of his magic, or teaching students.
