

Six days of mourning that is observed in [Heorot](#). Traditionally, a [mourning ceremony](#) is held in [Karvargr's Barrow](#) on the first day and a lively festival is held in [Gwenborg](#) on the last day. The week mourns the loss of [Karvargr](#) and the great destruction that befell the once great [city of Heorot](#). It also celebrates the renewal of hope and the reconstruction that was started by [Gwendolyn](#).

The week is observed differently by each family and in each town. Some common themes are wearing all black, skipping meals, and covering one's face.
